DAO PROPOSAL — FINPR PRESS RELEASE (EDITORIAL ONLY)

Relevant guilds :

Marketing / Community

1. Proposal Summary

This proposal requests DAO approval to fund a single editorial press release package with FINPR for 2,890 USDT, complemented by a limited RBNT allocation (50,000 RBNT) to support

research, coordination, and delivery oversight.

The scope is strictly limited to press content only, with no influencers, no promotions, and no operational dependencies.

2. Problem & Rationale

Problem

Redbelly currently lacks durable, third-party editorial references that can be reused across:

- ecosystem communication,
- community onboarding,

Redbelly Network

~~Social content is ephemeral. Internal posts lack external validation.~~

The DAO needs neutral, professional media coverage that exists independently of events, campaigns, or individuals.

Rationale

A press release published in recognized crypto media:

- creates persistent external credibility,
- improves discoverability and SEO,
- can be reused by the DAO and community without dependency on execution by Redbelly.

3. Objectives & Strategic Fit

Objectives

- Produce and publish one professional editorial press release
- Secure placement in recognized crypto media
- Create a reusable DAO-owned communication asset

Strategic Alignment

- Marketing guild : visibility and credibility
- Community guild : onboarding and education support

4. Scope of Work & Deliverables

Vendor Scope (FINPR)

- Press release drafting
- Editorial placement
- Publication links + final report

Contributor Scope (Rainbowmagician)

- Research and framing of narrative angles
- Evaluation and selection of press options
- Coordination with FINPR
- Quality control and final validation
- Delivery of final report to DAO

5. Budget & Payment Structure

Redbelly Network

• RBNT: 30,000 (rainbowmagician — coordination & research)

Payment Terms

- USDT: 70% upfront in usdt , 30% after FINPR completes all deliverables and obligations
- RBNT: released upon delivery of:
 - final publication links
 - coordination report

No upfront payments. No renewal implied.

6. Feasibility & Timeline

- Estimated execution: 2–3 weeks
- Single-cycle delivery
- No dependency on Redbelly events or schedules
- No duplication of existing DAO efforts

7. Oversight & Accountability

- Oversight: Any pod leader or HC
- Validation criteria:
 - confirmed publication
 - links delivered
 - coordination report submitted
- Payment contingent on validation

8. Impact & Measurement (KPIs)

DAO-controlled KPIs:

- Publication completed (yes/no)
- Number of media placements
- Links archived and shared publicly

Long-term value:

- Reusable editorial references
- External credibility
- Improved discoverability

Redbelly Network

- Limited immediate reach
- No viral effect

Mitigation

- Editorial content is durable
- Low budget exposure
- One-time expense
- No follow-up commitment without new vote

10. Co-Funding & Leverage

- No co-funding required
- No hidden dependencies
- No exclusivity or lock-in

11. Contribution Equity & Compliance

- Single contributor compensated (50,000 RBNT) for clearly scoped work
- No overlapping paid roles
- No RBNT used for speculation

OVERVIEW VOTES 17 DISCUSSION 7

- Fully compliant with DAO conduct standards

12. Community Involvement

- Proposal discussed publicly prior to submission
- Deliverables shared openly with the community
- Outputs reusable by all DAO members

Vote Question

Should the DAO approve a one-time editorial press release with FINPR for 2,890 USDT, plus

a 50,000 RBNT allocation to Rainbowmagician for research, coordination, and delivery

oversight, with payment conditional on publication and reporting?
