

Update DAO Proposal Submission Template

Passed

CaptDeFi moderator

In Redbelly Network · 10mo ago · #ed042

Context

Our current DAO proposal submission form is too compressed, with much of the detail pushed into a single “Full Proposal” section. This makes it harder for pod leaders to review proposals against the evaluation checklist and slows down the process of providing feedback.

To improve clarity, accountability, and alignment with the agreed evaluation criteria, we propose adopting a revised submission template that breaks content into structured sections.

Current Submission Template

Proposal Title

Submitted By (Discord / Telegram / ENS name)

Wallet Address (to verify RBNT ownership)

Proposal Summary (1–2 sentence overview)

Full Proposal (long-form: problem, solution, goals, KPIs, ROI, budget)

Category (Community / Marketing / Research / Builder-Dev-Tech / Partnerships)

Supporting Media (optional)

Financial Support Required

Date Submitted

Proposed New Submission Template

Proposal Title

Submitted By (Discord / Telegram / ENS name)

Wallet Address (to verify RBNT ownership)

Summary (1–2 sentences)

Problem & Rationale

Objectives & Strategic Fit (with Working Group alignment)

Scope of Work & Deliverables (with milestones/timeline)

Budget & Payment Structure (USDT vs RBNT split, milestones, justification)

ROI & Impact (KPIs, benefits, ROI)

Oversight & Accountability (reviewer + reporting plan)

Risk & Mitigation

Co-Funding & Leverage (if applicable)

Team & Contributors

Community Involvement

Compliance & Ethical Standards

Supporting Media (optional links)

Contact Information (Name, TG, Email, Discord)

Date Submitted

Decision Requested

Vote

Pod leaders are asked to vote on whether to replace the current submission template with the proposed new structure.

Yes – Adopt the new structured template

No – Keep the current template
