

DAO STRUCTURE

Redbelly Team

High Council

Marketing

Leadership POD/ Marketing Guild

Mission: Drive awareness, growth, and visibility for the Redbelly ecosystem.

Key Points:

- Initiate and lead campaigns to promote the project.
- Create and share content that amplifies project achievements.
- Maintain consistent brand messaging.
- Collaborate with other guilds to support communication and engagement.

Community

Leadership POD/ Community Guild

Mission: Build an inclusive and informed community of contributors and token holders.

Key Points:

- Welcome and guide new members.
- Encourage learning and participation.
- Strengthen sense of belonging and collaboration.
- Nurture a positive, inclusive culture.

Partnerships

Leadership POD/ Partnership Guild

Mission: Expand the DAO's reach through meaningful partnerships and integrations.

Key Points:

- Identify and develop strategic relationships.
- Support collaboration between partners and the DAO.
- Coordinate co-marketing and joint initiatives.
- Refer and connect potential ecosystem partners.

Research

Leadership POD/ Research Guild

Mission: Generate insights to guide DAO strategy and ecosystem awareness.

Key Points:

- Conduct research and gather ecosystem data.
- Analyse trends and share findings.
- Support DAO strategy with clear insights.
- Publish transparent reports for the community.

Development

Leadership POD/ Development Guild

Mission: Empower technical contributors and strengthen the developer ecosystem.

Key Points:

- Support community-led product and tooling improvement.
- Contribute to Redbelly's path toward decentralisation.
- Collaborate on technical initiatives across guilds.
- Build tools and resources that empower the network.
