from minting or transferring, using Redbelly's on-chain EligibilitySDK.

APPLICATION INSTRUCTIONS

To apply and submit your work, apply for the task here and visit the Redbelly DAO Task Board:

[CLICK HERE]

Create an account your verified wallet, and click Start Submission to read the full brief including all technical requirements, deliverables, quality benchmarks, and failure criteria. All submissions are reviewed by the DAO reviewer team before payment is processed.

Note: Only DAO-verified wallet addresses are eligible. Your wallet will be cross-verified against DAO records before payment is disbursed.
